Counselor's Connection

Welcome to the 2023-2024 school year!

PSAT and SAT score reports from last Spring are available. Students can access their scores from their College Board accounts at collegeboard.org. They can link their accounts to Khan Academy for practice. If your student is unable to log into College Board or has forgotten their username and password, please call 866-315- 6068.

SENIORS

It's time to submit your college applications! The FAFSA will be open in December this year due to updates to the website.

Students should use Parchment (<https://www.parchment.com/products/send/>) to request high school transcripts to be sent to colleges and universities. Applications are not complete without a high school transcript!

Seniors should be submitting college applications by Halloween to be eligible for all scholarship opportunities. Miss Newell has visited senior English classes to talk about processes for all plans after high school.

If you haven't already done so, please check out my Facebook (<https://www.facebook.com/MHScatsschoolcounseling/>) page. It's loaded with great information, including scholarships and opportunities.
